Jones County Went Wet All Over Last Friday

Jones County is a wet county in fine fashion since last Friday. Ye Editor made a trip of about 150 miles in every section of Jones Co. last Monday, and the amount of water seen was greater, taken as a whole county than we have ever noticed before. However, seeing fields full of water is very much like what we say of the cold weather or hot weather . . . "The worst I ever saw."

If a good fall season is what Jones County farmers have been looking for, they have it. Maybe it is too wet for wheat sowing.

The rains started slightly about mid-week and thus hindered cotton gathering and finally Friday night a terrace-filler came and with it lots of hail in some sections. West and south of Hamlin considerable damage was done to white cotton fields. Some farmers say one-fourth of their crop was knocked out. The sunshine will likely save most of this, however.

One thing is now clear; Jones County is making a better cotton crop than was at first thought possible. Cotton is about 75 or maybe 80 per cent out and the next two weeks of dry weather will help make the end draw near.

Jones County is truly a picture of prosperity these days. Fine fields of feed, grass, grain, fat cattle and lots of hogs and hundreds of thousands of chickens. Every article produced on the farms these days, means dollars to the farmer. He can not miss now. He has got several baskets and all of them go to a ready market. Picture Jones County back in 1917-1918. Dry as a bone, little or nothing to eat and a big war on. It is far different now. Moisture, soil conserved, feeds, pastures, poultry, eggs, Jersey cows, cream, peanuts, fruits, markets and banks full of money.

Backthere in the last war, most going was done in wagons and by horse power. No good roads, no highways, poor schools, and thus, in contrast today, as we count our blessings there is plenty to be grateful for, even though we must send out our boys to take another hitch on "making the world safe for our way of happiness and prosperity." Anyone can vision hundreds of improvements in the near years to come when all danger is past and our young men return to see what this nation looks like compared to the lands laid waste by uncontrolled murderers. Yes, sir, Jones County and all the counties everywhere hold plenty for posterity to enjoy.

Card of Thanks

We shall always remember with deep gratitude the comforting expressions of sympathy and the beautiful floral offerings from our friends during our recent bereavement of the loss of our dear son and brother.

May He whose unflinching tenderness reaches and comforts us all, bless each one of you.

Mrs. E. E. Holley
and Children

Guy Wilson, who has been employed by the Community Natural Gas Co. in Stamford for the past year, left Sunday afternoon for Odessa, Texas, where he accepted a position as assistant district clerk for the Atlantic Refining Co. Guy volunteered for the army last June but was rejected on account of a heart condition.

Mr. and Mrs. Lott Shell are parents of a daughter, Priscilla Dean, weight 8 1-2 pounds, born Tuesday morning, October 20th.

Mr. and Mrs. W. J. Reynolds were notified Monday of the arrival of a new grandson, Larry LaMotte, who arrived at the home of Mr. and Mrs. Clyde LaMotte in Houston, Monday, October 19. Mrs. La Motte before her marriage was Miss Louise Reynolds of Hamlin.

Mr. and Mrs. B. Hassen and daughters, Misses Winnie Faye, Gamile and Nozik, went to Lubbock Sunday to visit their daughter, Miss Selma Hassen, who is a student in Texas Tech.

Mr. and Mrs. Joe Lujan are parents of a son, Joseangel, born at their home Sunday afternoon.

NAZARENE CHURCH

Sunday, Oct. 25 will mark the closing of another year of our church work at Hamlin.

We sincerely appreciate the fine co-operation of the members and our many friends. They have all done more for us than we deserve.

We plan to leave Tuesday morning for our annual assembly which convenes at Lubbock Oct. 27 to 30.

The elected delegates are W. E. Mizell, Mrs. J. S. King and Mrs. Dan D. Jones. We are hoping others will be able to attend part of the assembly.

Do not forget our regular services Sunday.

Sunday School, 9:45 A. M. Morning Worship, 11 A. M. N. Y. P. S. Service, 8:00 P. M. Evening Service, 8:30 P. M.

In these days of stress and uncertainty you will find comfort and strength in church services.

Come worship with us Sunday.

Card of Thanks

I want to express my appreciation to the class that visited at my home Monday afternoon to present the beautiful flowers and nice fruit box. Then sang two nice songs and read some Scripture. One of the songs was a song I first heard in 1882, "In The Land Where We'll Never Grow Old". May God's blessings rest upon each and every one of you.

UNCLE JOHN BEARD

J. E. Holley Died At Hillsboro, Texas, Fri.

J. E. Holley died unexpectedly at Hillsboro last Friday, Oct. 16. He had worked the day before seemingly in good health. His body was returned to Hamlin with burial and funeral arrangements under direction of the Barrow Company. Interment was at Swedonia, his former home.

Mr. Holley was 58 years and 6 months of age.

For many years he had lived a consistent Christian life and was a member of the Baptist church. Rev. W. T. North, pastor of the Baptist church at Peacock, conducted the funeral at Swedonia at 2:30 P. M. Tuesday.

Survivors are his mother, Mrs. E. E. Holley of Corpus Christi, Texas; four sisters, Mrs. J. M. Bates, O'Donnell, Texas; Mrs. W. B. Boyd, Hamlin; Mrs. H. A. McWright, Hamlin, and Mrs. Roy W. Gilbreath, Corpus Christi, Texas; three brothers, W. T. Holley, Jayton; R. E. Holley, Hamlin; L. G. Holley, Fort Worth. All were here at the funeral except Mrs. Gilbreath, and his mother who was unable to attend on account of illness.

Carlton Defense Club

The Carlton Defense Club met last month on the second Tuesday evening with Mrs. Long, home demonstration agent, and Mr. Binion, county agent, in charge of the program.

Mrs. Long spoke in a very interesting manner on nutrition and gave a whole wheat muffin demonstration. When baked the muffins were buttered and served to those present.

Mr. Binion spoke on post war effects and how to meet them.

Two of our boys and girls sang a patriotic melody and various reports were made.

Mr. Brooks selected 3 ladies as a program committee: Mrs. Arch Hackley, Mrs. Bill Chambers and Mrs. Buren Carlton.

The committee decided to have a box supper, proceeds to go to the Red Cross for soldiers kits, as a program for the next meeting which was Tuesday, Oct. 13th.

The crowd made up for its lack of numbers in enthusiasm. A cake was exhibited for the prettiest girl.

Durelle Jenkins, 2 year old daughter of Mr. and Mrs. Howard Jenkins and Linda Carlton, 3 year old daughter of Mr. and Mrs. Buren Carlton, were nominated. Linda won by a small margin.

Total proceeds was \$44.79.

RED CROSS NOTES

With only eight men present, the Carlton community (Jones county, raised \$46.85 at a box supper, and donated this amount to the Red Cross production chairman for filling soldiers kit bags. Monthly quota for Jones County Chapter is fifty kits, and dollar contributions; fill there with stated items such as stationery, pencil, cigarettes, game, book, razor blades, and other comfort articles. Mrs. A. B. Carlton is in charge of the Carlton community Red Cross work which includes sewing, knitting, quilting and such work.

Rush order for army sleeveless sweaters and navy turtle-neck sweaters is being handled by Jones Co. knitters with volunteers in Hamlin, Anson, Avoca, and Stamford already busy. Mrs. J. C. Bryant, of Stamford, assistant knitting chairman, has knitted an army turtle-neck sweater in four and one-half days. Good knitters are invited to participate in handling this rush quota so that as many articles as possible may be shipped at the close of this month.

Hospital pajama quota of 110 has been received at the production room in Stamford and both cutters and sewers are needed to get these out by the end of November.

Jones County Red Cross surgical dressings quota arrived October 19, and work began immediately under the direction of Mrs. George E. Pryor of Stamford, chairman, and her corps of day-chairmen and co-chairmen, Mrs. D. L. Ashley, Stamford, is work room supervisor.

Mrs. J. W. Griffin returned Wednesday from Orange, Texas, where she visited her son, J. A. Griffin, who is a worker in the ship yards.

John P. McClung Died Tuesday Night, Oct. 20

John P. McClung, who had been a citizen of Jones county for the past 40 years, died at his residence on Hope Avenue and Second Street, at 9:15 P. M., Tuesday, October 20. John Pinkney McClung was born in the State of Alabama, May 19, 1866, and was 76 years, five months and one day of age.

Mr. McClung had been in failing health for some time and he spent last week in the Stamford hospital for a check-up and medical treatment. His trouble was a form of diabetes. Monday he was allowed to return home and was in fine spirits and happy to be in his home and with friends. Early that night he said he felt tired and went to his bed. Some time in the night a stroke came and he never regained consciousness, passing away Tuesday evening at 9:15.

Mr. McClung came to Texas in early manhood, and in June, 1900, he was married to Miss Annie Greenhill at Sherman, Texas. They moved to Jones county in 1902 and with the exception of about one year in Arizona, they made this county their home, living in the Tuxedo-Fairview communities.

Mr. McClung is survived by his wife and two children, Mrs. Ollie Floyd of Ballinger and one son, Eugene McClung of Birmingham, Alabama, and one grand-daughter, Peggy Ann Floyd. Mrs. Floyd and her family were present but Eugene could not arrive till Thursday night. It so happened that Mrs. McClung's brother, T. C. Greenhill, a traveling man, had stopped in late Monday night for a short visit, and was present through the last hours of Mr. McClung's life. Other relatives surviving are two sisters, Mrs. T. C. Greenhill of Amarillo and Mrs. G. S. Burk of Plainview, Texas, and one brother, C. B. McClung of Houston. Neither of these were able to come for the funeral.

Services will be conducted at the Barrow Funeral Parlors, Friday morning at 10:00 o'clock, with the Rev. H. E. East in charge. Interment will be in Hamlin East Cemetery.

Mr. McClung had been a member of the Presbyterian church and later united with the Baptist church. His membership had been in Hamlin Baptist church for many years. He was a quiet, dependable citizen, a fine type of Christian example whom to know was to esteem highly.

Another Week Of War—

The high lights of this week of war has been the unconquerable fighting of the Russians, the marvelous feats of the A. A. forces in the New Guinea-Colomon area (A. A. meaning the American-Australian forces).

Stalingrad has not fallen yet. Stalingrad may never fall to the Germans. For every foot gained by Hitler in the streets of Stalingrad, the cost is doubtless many German lives.

We are still gaining and losing as well in the Jap fight. Can we expect anything but cost to drive the Japs back? We do not look for a second Bataan, but we shall not feel at ease till the contest around the Solomon group is settled in our favor.

On the home front things look much better. We realize big things are taking place and that the knock-out blow against Hitler is not far

away, but we can not say that about Japan. The mightiest machine in all history is about ready to go into high gear. For every battle ship, every cruiser, destroyer, every tug, and freighter that our enemies sink, we are building one to take its place. The same is true in England. Already the great ships, the Hood, Prince of Wales, Repulse, the Malaya, and others have been replaced and today England's fighting navy is as strong as when Hitler started his rampage.

So the battle rages on a dozen fronts, and old man winter and hunger is just around the corner, and there is a limit to human endurance. Time and tide is on Our Nations' side and with staunch attention and hot dashes against the enemy during the winter, the Hitler hell will be knocked out next spring. We guess.

Mrs. Turner Bynum, who spent the past three weeks here visiting her parents, Mr. and Mrs. T. E. Harden and other relatives, left Friday for Corpus Christi where she has accepted a position with the Corpus Christi Caller Times. She was formerly employed on the Rockport Pilot.

The World's Richest Man Found It Didn't Pay

By Robert Ripley

Ashurbanipal of Assyria, the richest man who ever lived, was worth a trillion and a half dollars—75 times as much gold as is held in the United States Treasury. Yet it availed him nothing! Neither he nor his son had the sense to use this wealth for the good of their people or for their protection.

And so it was comparatively easy for Nabopolassar and the King of the Medes to invade Assyria and enslave it. And finally, when defeat stared the great King in the face—when it was too late—Ashurbanipal, in terror, had a tremendous platform built of polished wood, in the city of Nineveh, and on top of this he heaped all of his wealth—142,000 tons of gold in 2,500,000 bricks (or ingots), each brick 7 by 28 inches in size, and each brick valued at 50,000. This treasure formed a pyramid of shining gold nearly one-hundred feet high, and in the intervening spaces he placed all of his jewels and personal belongings—his wives on golden beds—his children—even his pet dog.

And then a great quantity of oil was brought from Mosul and poured on top of this golden mass, and when the torch was applied, the King himself walked in and laid himself down among his wives—his family—his pet dog—and everything he valued in life. And so the great Ashurbanipal, the richest man in the world, was consumed in his own wealth—he immolated himself and became part of this great conglomerated melted mass of money—and so ended the Empire of the Assyrians. And it never rose again.

I was in Nineveh a few years ago. Only a few mounds marked the spot that was the glory of Ashurbanipal. Why?

Because Ashurbanipal, who had practically all the money in the world, didn't do anything with it!

And he and his country were lost.

Even his conquerors—the Medes and the Persians—made this same mistake—they came, saw, conquered, and confiscated this great golden molten mass of money that was once the king's and the wealth of the great Empire of Assyria—what did they do with it?

Nothing! They melted it into money again—and remelted it—and in generations since it has been remelted a thousand times—until, Believe It Or Not, it is a mathematical fact that every golden coin used in the world today contains in it some minute particle of Ashurbanipal himself, the King who had all the money in the world but didn't know what to do with it!

What are we going to do with our money today? Enemies threaten us the same as they threatened Ashurbanipal in 626 B. C. The United States of today, like the Assyria of Ashurbanipal, is the richest nation in the World. What will it avail us? Nothing!

Surely nothing more than it did Ashurbanipal unless we do something with it. And there is only one thing to do—and that is to BUY BONDS and WAR STAMPS and make our money directly available to our country—help our country—otherwise it will become a melted molten mass and we the people will be destroyed as Ashurbanipal was destroyed 2600 years ago.

GROCER BOY WRITES

Ft. Sill, Okla.

Dear Mr. Pope:

Just a few lines to let you know I am still alive and kicking. The Army isn't so bad as some say, but we have a job to do and the sooner people get together and organize, the sooner this war will be over.

I am training to be a clerk in the Field Artillery. When I finish I will be better trained for work after I get out of the Army. It gives you quite a bit of training in military life too, so you are accomplishing two things at once.

Just a few words to all my friends in good ole Hamlin. Give the foot ball boys my best regards and I am still backing them. Give all their nickels and dimes for I understand they will be in the Army soon, and all little donations will certainly go to help them later in Army life.

Good luck and best of wishes to dear ole Hamlin till I return.

They left Monday for Antlers, Oklahoma to visit relatives before going to San Francisco. Mrs. Simmons was Vera Bates before her marriage July 11th.

What You Buy With WAR BONDS

Military motorcycles, for couriers, for speeding light guns from one section to another, are an important part of America's mechanized army. Many are equipped with sidecars for use of staff officers. They cost from \$400 to \$450.

We need thousands of these small maneuverable machines in our Army today. You and your neighbors, all buying War Bonds and Stamps, can help buy them for the Army. Invest at least ten percent of your income every payday in War Bonds and Stamps and become a member of the patriotic "Ten Percent Club." It is rapidly becoming the largest club in the world.

HAMLIN'S WAAC LIEUTENANT

(Miss) Lieutenant Greenway, the worthy representative of the WAACs, arrived in Hamlin late last Saturday afternoon, on a stop-over furlough while going from Des Moines, Iowa, to . . . well, somewhere, known only to Lt. Carolyn. This shows that the WAACs are teaching the women one thing—to keep a secret.

Miss Greenway shows a wonderful transformation from a timid country girl to a snappy army woman, alert and military even beyond what one would expect of a woman. She says the Herald has already started trouble for her . . . you know a few weeks we suggested that our Hamlin fellows, in the service, write her, and call her "Our Sweetheart of Hamlin," even at the risk of being courtmarshaled for that kind of salute to an officer. Well, it was well she was transferred, for it will give her time to get "somewhere" else and then receive the letters from the soldiers, sailors and cadets and flyers. Lt. Greenway was called on to talk before the high school assembly, the Lions and Rotary clubs. She has had much to do in making clear what the WAACs are to do in winning this war we are in. We may expect to hear from this "Sweetheart of Hamlin".

You: And, pray tell, what is it we have that the Japanazis have nothing like—and is censored?

Reddy: It WAS a road map of Uncle Sam's electric power. It DID show how high voltage transmission lines criss-cross the country—carrying power to busy war plants and to 27 million homes. It's censored as to location of cities and plants because we're glad to cooperate in concealing information that might aid the enemy.

You: What else can you tell me about it?

Reddy: This: It's the greatest electric system in the world. No other nation has anything like it. The famous British "grid system" could be dropped into one small section. It carries more power than all the Axis countries combined.

You: And how did we obtain it?

Reddy: This nation-wide transmission net work was put together in peacetime to serve you and all Americans. It was built with the savings of the people it serves . . . individual citizens, churches, colleges, sav-

ings banks, insurance companies, all of whom invested their savings in sound electric securities. It is operated under the American system of free enterprise by men and women trained and experienced in good business management. Their success depends on bringing the greatest service to the greatest number of homes at the lowest possible cost.

You: H-u-u-m-m. Quite different from the Nazi system. Under the Japanazis, and their system of political management and state slavery, the individual, or his institutions, is nothing. Only bureaucrats and political favorites have anything to hope for.

Reddy: Yes. And in the long run, that won't win wars! Here in West Texas . . . in this whole country . . . everybody has a personal stake in Victory—and in preserving the American way of living which has made us the strongest nation on earth!

Reunion Held Sunday At D. B. Scott Home

Sunday, Oct. 18, was a happy day at Mr. and Mrs. D. B. Scott's home, eleven miles west of Hamlin, when their children met there for his birthday. Mr. Scott will be 70 years old the 29th, but his children could only come Sunday. This happy day was also Mr. and Mrs. James C. (Gene) Scott's 13th wedding anniversary.

Those attending were: Mr. and Mrs. Oscar Scott, Wichita Falls; Mr. and Mrs. A. J. Scott and children, Jeanelle, Don and Francis of Wichita Falls; Mr. and Mrs. Claud L. Scott and Mary Helen of Lubbock; Mr. and Mrs. George Lenard and children, Travis, David, Marie and Rose Mary of Jal, New Mexico; Mr. and Mrs. Buck Scott and son Terry Ron, of Rotan; Mr. and Mrs. Gene Scott and son Melvin; Mr. and Mrs. Orval Pack, Mrs. Adell Garrett and children, Veince and Helen, and Mrs. Mary Lenard, all of Hamlin.

A nice dinner was served, and Mrs. Scott took a nice plate lunch to her neighbor, Mrs. George Higdon, who is ill.

In the afternoon many pictures were taken and old times talked over. Some of the brothers and sisters hadn't seen each other in several years. Two sons were unable to be there. They are J. T. and family of California and A. J. of Wichita Falls.

"THE OLD MAN OF THE MOUNTAINS"

Junior Commandos

By Winnie Faye Hassen
Maybe most of you don't know about the organization of this small group yet, but just wait—you will. For if they keep on at the rate they are going, it will be hard for you not to hear about them and their work.

Thursday afternoon after school a group of sixth and seventh graders met at Nozik Hassen's home and made arm bands with J. C. printed on each. The next day they were passed out to twenty-three members.

Tuesday they gathered scrap iron after marching for an hour. They only gathered for about an hour and a half. When asked why they marched for an hour instead of hunting iron, they replied, "We had some new members and had to teach them to march. For there is no time like the present to learn."

They got over one hundred lbs. of scrap iron.

Moonbeams Organize

By Winnie Faye Hassen
Sunday the Moonbeam class, the Juniors, Seniors, and High school graduates of the Methodist church, organized for the following year. Officers elected were at follows:

Dean Witt, president; Frances Gardner, vice-president; Winnie Faye Hassen, reporter.

We are trying to enlarge our class so if you belong to no certain church and are not going to any church now, we would be more than delighted to have you in our class.

What You Buy With WAR BONDS

A pelorus, used by the Navy, is a device which fits over the surface of a compass to enable the operator to take bearings on distant objects. It has split hair sights, has been in use for many years . . . and costs approximately \$125.

These instruments are essential equipment to every American ship which comes out of the shipyards. With the scores of ships now being completed each month, we need many of these instruments. Your purchase of War Bonds and Stamps will help pay for them. Invest at least ten percent of your income every payday in these interest bearing Government securities.

Texans In California

Dear Mr. Pope:

Inclosed is one dollar for which please renew my subscription to the Herald.

There are between 32 and 36 Hamlin people in San Diego alone, at present, and that does not include such places as Tuxedo, Radium, etc. Just kids who lived in Hamlin, or have worked in places of business in Hamlin. Outside of about 5, the rest of the Hamlinites work at Consolidated Aircraft and the others are in the Service here. There are 4 of us here at the same address: Clifford Reynolds, Lovel Stell, Rex Jones and myself. We all double up on the Herald to keep track of the news of the Hamlin people, both service men and civilians. The Herald is about the only source of correct information we hear. We all enjoy it.

Sincerely yours,

A special meeting was called at the school house Sunday afternoon for the purpose of getting a Red Cross course in home nursing, also a course in nutrition. Speakers from Rotan were Mrs. Day, Mrs. Malouf, and Mrs. Carriker. All people in this community who are interested in taking these courses please see Mrs. Levi McCollum, Mrs. Jim Jackson or Mrs. Melvin Courtney, and may we add that it is of vital importance that this community should be interested as doctors and nurses in Fisher county are becoming very scarce due to the war, and we are all still subject to illness.

The wind, hail and downpour of rain last Friday night about picked and ginned the cotton crop in this vicinity. Farmers hardest hit were south and northwest of town, and some cotton crops are practically a total loss. Well, it's a hard dose to take, but there is nothing we can do about it, and besides it is easy to take compared with what the boys are going through, on the battle fronts. So keep your chin up, and remember there is always a little bitter along with the sweet.

Mr. and Mrs. Johnnie Hodnett of Arkansas were through McCauley one day last week on their way to California, and while here visited a few hours in the homes of Joe Miers and the Geo. Dardens.

Shopping in Abilene last Saturday were Mr. and Mrs. Melvin Henderson. The Hendersons are at home in McCauley for a few days after several weeks at Wichita Falls where he is employed with an oil company.

Mrs. Lewis Rector fell while at work in the store Friday and suffered broken ribs and is confined to her bed in a Rotan hospital.

McCauley boys enlisting in the ground crew of the air corps last Monday were: Buddy Gibson, Tillman Henson, Glendon Hemphill, A. S. Smith Jr., Albert Galloway, Jr., and Leon Peterson. The boys left Tuesday for Lubbock where they will take their first training.

Sgt. James Parker, son of Mr. and Mrs. W. H. Parker, graduated from Stockton Field, Stockton, California, Sept. 29 and was married on Sept. 30 to Miss Joyce Townsend, of Shafter, Calif. They are at home in Blythe, Calif., and James writes his parents that he is sure that he is the happiest boy in the world with his silver wings, and the little lady of his heart by his side. Congratulations, James, and best wishes to you both.

Mrs. C. L. Colinger of Fort Worth and Sgt. Leo M. Greene and wife of Arlington visited last week in the home of Mr. and Mrs. Turner Houghton.

Mr. and Mrs. Leo Masser and son were week end visitors in the home of Mr. and Mrs. Ted Abbott. Their home is in Fort Worth.

The senior class of McCauley High school met Thursday morning, Oct. 22, and elected class sponsors and officers. They are: Sponsor, H. P. Powers; President, Ed Lewis; Vice-president, Bill Smith; Sec'y-Treas., Bass Darden; Reporter, Bennie Ray Jones. Class colors are white and gold. Class flower is white carnation.

Mr. and Mrs. A. A. Callaway went to Abilene Sunday to visit their daughter, Mary, who is a student at Hardin-Simmons and while in Abilene, they visited Camp Barkeley.

Shopping in Abilene last Saturday were Ferris, Bynum, Alene and Eveline Akins and Mrs. Geo. Darden.

Mrs. Robert Lewis Jr. (formerly Fern Maberry) is at home with her parents after several weeks visit in California, Arizona and New Mexico.

Mrs. Leslie Phillips and daughter Shirley Nell of Munday, Texas, visited last week in the home of her parents, Mr. and Mrs. O. C. Prather, er.

Mr. and Mrs. O. C. Prather and sons were called to Knox City last Sunday to the bedside of his sister who is very ill.

Mrs. N. H. Wishert visited her sister, Mrs. Wilkins in Roby last Sunday. Mrs. Wilkins has been quite ill.

Mr. and Mrs. Granville Dean and daughter were Sunday visitors in the home of Mr. and Mrs. Ellis Eivens. The Deans are now living in Abilene where he is employed at Camp Barkeley.

O-O-O

In the great alliance of the United Nations it is not a question of any one of us sending our friends what we can spare from our own defenses. We know that we shall none of us be safe until the enemy is defeated—everywhere in the world. Our problem is to destroy the forces of the Nazis, their hangers-on, and the Japanese lords of slaughter if we do not want them to destroy us.

Whoever destroys any of those forces gives life to all of us. In our United war it does not matter whether the cannon was made in Springfield, or in Coventry or Melbourne. It does not matter whether it is fired by men from Liverpool or Chungking. When the gun throws back the enemy's line in Russia, when the Nazi submarine is sunk, when the smashed Jap planes come tumbling down, the cause of the United Nations is advanced—there is an increased promise of freedom for all the people everywhere in the world.

The boys from the city, the village, the country, the plains and the hills of the United Nations are at the war path with one aim, and that is to crush the Nazi and Jap gangsters who threaten the peace of the world.

With all seriousness, ask yourself this question: Are you doing your part? Is that piece of scrap iron about your place on the way to the battle front? Are you giving your money to the Red Cross? Are you buying all the Bonds that you can? Are you cursing your Government? Is the price of Liberty too high? And remember if we lose this war, all is lost, not only your homes, your land and cattle—but most of all, our FREEDOM.

HAMLIN, JONES COUNTY, TEXAS, FRIDAY, OCTOBER 23, 1942

NUMBER 51

Jones County Went Wet All Over Last Friday

Jones County is a wet county in fine fashion since last Friday. Ye Editor made a trip of about 150 miles in every section of Jones Co. last Monday, and the amount of water seen was greater, taken as a whole county than we have ever noticed before. However, seeing fields full of water is very much like what we say of the cold weather or hot weather . . . "The worst I ever saw."

If a good fall season is what Jones County farmers have been looking for, they have it. Maybe it is too wet for wheat sowing.

The rains started slowly about mid-week and thus hindered cotton gathering and finally Friday night a terrace-filler came and with it lots of hail in some sections. West and south of Hamlin considerable damage was done to white cotton fields. Some farmers say one-fourth of their crop was knocked out. The sunshine will likely save most of this, however.

One thing is now clear; Jones County is making a better cotton crop than was at first thought possible. Cotton is about 75 or maybe 80 per cent out and the next two weeks of dry weather will help make the end draw near.

Jones County is truly a picture of prosperity these days. Fine fields of feed, grass, grain, fat cattle and lots of hogs and hundreds of thousands of chickens. Every article produced on the farms these days, means dollars to the farmer. He can not miss now. He has got several baskets and all of them go to a ready market. Picture Jones County back in 1917-1918. Dry as a bone, little or nothing to eat and a big war on. It is far different now. Moisture, soil conserved, feeds, pastures, poultry, eggs, Jersey cows, cream, peanuts, fruits, markets and banks full of money.

Backthere in the last war, most going was done in wagons and by horse power. No good roads, no highways, poor schools, and thus, in contrast today, as we count our blessings there is plenty to be grateful for, even though we must send out our boys to take another hitch on "making the world safe for our way of happiness and prosperity." Anyone can vision hundreds of improvements in the near years to come when all danger is past and our young men return to see what this nation looks like compared to the lands laid waste by uncontrolled murderers. Yes, sir, Jones County and all the counties everywhere hold plenty for posterity to enjoy.

Card of Thanks

We shall always remember with deep gratitude the comforting expressions of sympathy and the beautiful floral offerings from our friends during our recent bereavement of the loss of our dear son and brother.

May He whose unfailing tenderness reaches and comforts us all, bless each one of you.

Guy Wilson, who has been employed by the Community Natural Gas Co. in Stamford for the past year, left Sunday afternoon for Odessa, Texas, where he accepted a position as assistant district clerk for the Atlantic Refining Co. Guy volunteered for the army last June but was rejected on account of a heart condition.

Mr. and Mrs. Lott Shell are parents of a daughter, Priscilla Dean, weight 8 1-2 pounds, born Tuesday morning, October 20th.

Mr. and Mrs. W. J. Reynolds were notified Monday of the arrival of a new grandson, Larry LaMotte, who arrived at the home of Mr. and Mrs. Clyde LaMotte in Houston, Monday, October 19. Mrs. La Motte before her marriage was Miss Louise Reynolds of Hamlin.

Mr. and Mrs. B. Hassen and daughters, Misses Winnie Faye, Gamile and Nozik, went to Lubbock Sunday to visit their daughter, Miss Selma Hassen, who is a student in Texas Tech.

Mr. and Mrs. Joe Lujan are parents of a son, Joseangel, born at their home Sunday afternoon.

NAZARENE CHURCH

Sunday, Oct. 25 will mark the closing of another year of our church work at Hamlin.

We sincerely appreciate the fine co-operation of the members and our many friends. They have all done more for us than we deserve.

We plan to leave Tuesday morning for our annual assembly which convenes at Lubbock Oct. 27 to 30. The elected delegates are W. E. Mizell, Mrs. J. S. King and Mrs. Dan D. Jones. We are hoping others will be able to attend part of the assembly.

Do not forget our regular services Sunday.

Sunday School, 9:45 A. M. Morning Worship, 11 A. M. N. Y. P. S. Service, 8:00 P. M. Evening Service, 8:30 P. M.

In these days of stress and uncertainty you will find comfort and strength in church services.

Card of Thanks

I want to express my appreciation to the class that visited at my home Monday afternoon to present the beautiful flowers and nice fruit box. Then sang two nice songs and read some Scripture. One of the songs was a song I first heard in 1882, "In The Land Where We'll Never Grow Old". May God's blessings rest upon each and every one of you.

UNCLE JOHN BEARD

J. E. Holley Died At Hillsboro, Texas, Fri.

J. E. Holley died unexpectedly at Hillsboro last Friday, Oct. 16. He had worked the day before seemingly in good health. His body was returned to Hamlin with burial and funeral arrangements under direction of the Barrow Company. Interment was at Swedonia, his former home.

Mr. Holley was 58 years and 6 months of age.

For many years he had lived a consistent Christian life and was a member of the Baptist church. Rev. W. T. North, pastor of the Baptist church at Peacock, conducted the funeral at Swedonia at 2:30 P. M. Tuesday.

Survivors are his mother, Mrs. E. E. Holley of Corpus Christi, Texas; four sisters, Mrs. J. M. Bates, O'Donnell, Texas; Mrs. W. B. Boyd, Hamlin; Mrs. H. A. McWright, Hamlin, and Mrs. Roy W. Gilbreath, Corpus Christi, Texas; three brothers, W. T. Holley, Jayton; R. E. Holley, Hamlin; L. G. Holley, Fort Worth.

All were here at the funeral except Mrs. Gilbreath, and his mother who was unable to attend on account of illness.

Carlton Defense Club

The Carlton Defense Club met last month on the second Tuesday evening with Mrs. Long, home demonstration agent, and Mr. Binion, county agent, in charge of the program.

Mrs. Long spoke in a very interesting manner on nutrition and gave a whole wheat muffin demonstration. When baked the muffins were buttered and served to those present.

Mr. Binion spoke on post war effects and how to meet them.

Two of our boys and girls sang a patriotic melody and various reports were made.

Mr. Brooks selected 3 ladies as a program committee: Mrs. Arch Hackley, Mrs. Bill Chambers and Mrs. Buren Carlton.

The committee decided to have a box supper, proceeds to go to the Red Cross for soldiers kits, as a program for the next meeting which was Tuesday, Oct. 13th.

The crowd made up for its lack of numbers in enthusiasm. A cake was exhibited for the prettiest girl. Durelle Jenkins, 2 year old daughter of Mr. and Mrs. Howard Jenkins and Linda Carlton, 3 year old daughter of Mr. and Mrs. Buren Carlton, were nominated. Linda won by a small margin.

Total proceeds was \$44.79.

Mrs. J. V. Milsap returned Saturday from Abilene where she visited her son, Jumbo Milsap and family, and her sister, Mrs. J. W. Womack and husband.

Recruiting Here Again Monday

Sgt. C. W. Vinsant will be in Hamlin Monday, Oct. 26 from 1:00 P. M. to 5:00 P. M. to interview applicants for the air corps and ordnance department and signal corps. He will be at the U. S. Postoffice.

The army wants 18 and 19 year old boys now. This is your last chance to get what you want, so don't wait, men, see me Monday at your Postoffice and get all the information that you want. Look for the Silver Truck Monday.

Sing At Neinda

The Jones County North Side Singing Convention meets at Neinda on Sunday, October 25th. A number of visiting singers are expected. Mrs. Raymond Day, Sec'y.

RED CROSS NOTES

With only eight men present, the Carlton community (Jones county, raised \$46.85 at a box supper, and donated this amount to the Red Cross production chairman for filling soldiers kit bags. Monthly quota for Jones County Chapter is fifty kits, and dollar contributions) fill there with stated items such as stationery, pencil, cigarettes, game, book, razor blades, and other comfort articles. Mrs. A. B. Carlton is in charge of the Carlton community Red Cross work which includes sewing, knitting, quilting and such work.

Rush order for army sleeveless sweaters and navy turtle-neck sweaters is being handled by Jones County knitters with volunteers in Hamlin, Anson, Avoca, and Stamford already busy. Mrs. J. C. Bryant, of Stamford, assistant knitting chairman, has knitted an army turtle-neck sweater in four and one-half days. Good knitters are invited to participate in handling this rush quota so that as many articles as possible may be shipped at the close of this month.

Hospital pajama quota of 110 has been received at the production room in Stamford and both cutters and sewers are needed to get these out by the end of November.

Jones County Red Cross surgical dressings quota arrived October 19, and work began immediately under the direction of Mrs. George E. Pryor of Stamford, chairman, and her corps of day-chairmen and co-chairmen, Mrs. D. L. Ashley, Stamford, is work room supervisor.

Mrs. J. C. McCarley returned to her home in Mathis, Tuesday, after a three weeks visit here with her sister, Mrs. S. D. McMahon and Mr. McMahon.

WOMEN ARE URGED TO SAVE ALL USED HOSIERY

An appeal to women all over the nation to save worn or discarded silk and nylon hosiery has been issued by WPB's textile, clothing and leather branch. The Conservation Division of WPB now is planning a national salvage campaign for old hosiery which will be used primarily to make powder bags. The WPB order freezing used silk hosiery in the hands of dealers has been amended to bring used nylon hosiery under its provisions. Sales are permitted only to the Defense Supplies Corporation.

Mrs. J. W. Griffin returned Wednesday from Orange, Texas, where she visited her son, J. A. Griffin, who is a worker in the ship yards.

John P. McClung Died Tuesday Night, Oct. 20

John P. McClung, who had been a citizen of Jones county for the past 40 years, died at his residence on Hope Avenue and Second Street, at 9:15 P. M., Tuesday, October 20.

John Pinkney McClung was born in the State of Alabama, May 19, 1866, and was 76 years, five months and one day of age.

Mr. McClung had been in failing health for some time and he spent last week in the Stamford hospital for a check-up and medical treatment. His trouble was a form of diabetes. Monday he was allowed to return home and was in fine spirits and happy to be in his home and with friends. Early that night he said he felt tired and went to his bed. Some time in the night a stroke came and he never regained consciousness, passing away Tuesday evening at 9:15.

Mr. McClung came to Texas in early manhood, and in June, 1900, he was married to Miss Annie Greenhill at Sherman, Texas. They moved to Jones county in 1902 and with the exception of about one year in Arizona, they made this county their home, living in the Tuxedo-Fairview communities.

Mr. McClung is survived by his wife and two children, Mrs. Ollie Floyd of Ballinger and one son, Eugene McClung of Birmingham, Alabama, and one grand-daughter, Peggy Ann Floyd. Mrs. Floyd and her family were present but Eugene could not arrive till Thursday night.

It so happened that Mrs. McClung's brother, T. C. Greenhill, a traveling man, had stopped in late Monday night for a short visit, and was present through the last hours of Mr. McClung's life. Other relatives surviving are two sisters, Mrs. T. C. Greenhill of Amarillo and Mrs. G. S. Burk of Plainview, Texas, and one brother, C. B. McClung of Houston. Neither of these were able to come for the funeral.

Services will be conducted at the Barrow Funeral Parlors, Friday morning at 10:00 o'clock, with the Rev. H. E. East in charge. Interment will be in Hamlin East Cemetery.

Mr. McClung had been a member of the Presbyterian church and later united with the Baptist church. His membership had been in Hamlin Baptist church for many years. He was a quiet, dependable citizen, a fine type of Christian example whom to know was to esteem highly.

BOYD CHAPEL CHIRPS

By Mrs. James Ferguson

Rev. and Mrs. Grady Adcock and Linda, who are now living in Abilene and who are attending McMurry College, were here Sunday to fill their regular appointment at the Methodist church.

Rev. C. E. Dick of the McCaulley Baptist church, preached here Sunday evening. The Methodists dismissed services to hear him.

Mr. and Mrs. J. P. Cornelius visited Mr. and Mrs. Charlie Early of Plasterco Monday.

Mrs. J. D. Bingham had Mrs. Jessie Handcock of Hamlin attend the evening services at the Baptist church Sunday.

Miss Virginia Cozzens of Tulsa was a visitor at the Methodist church Sunday.

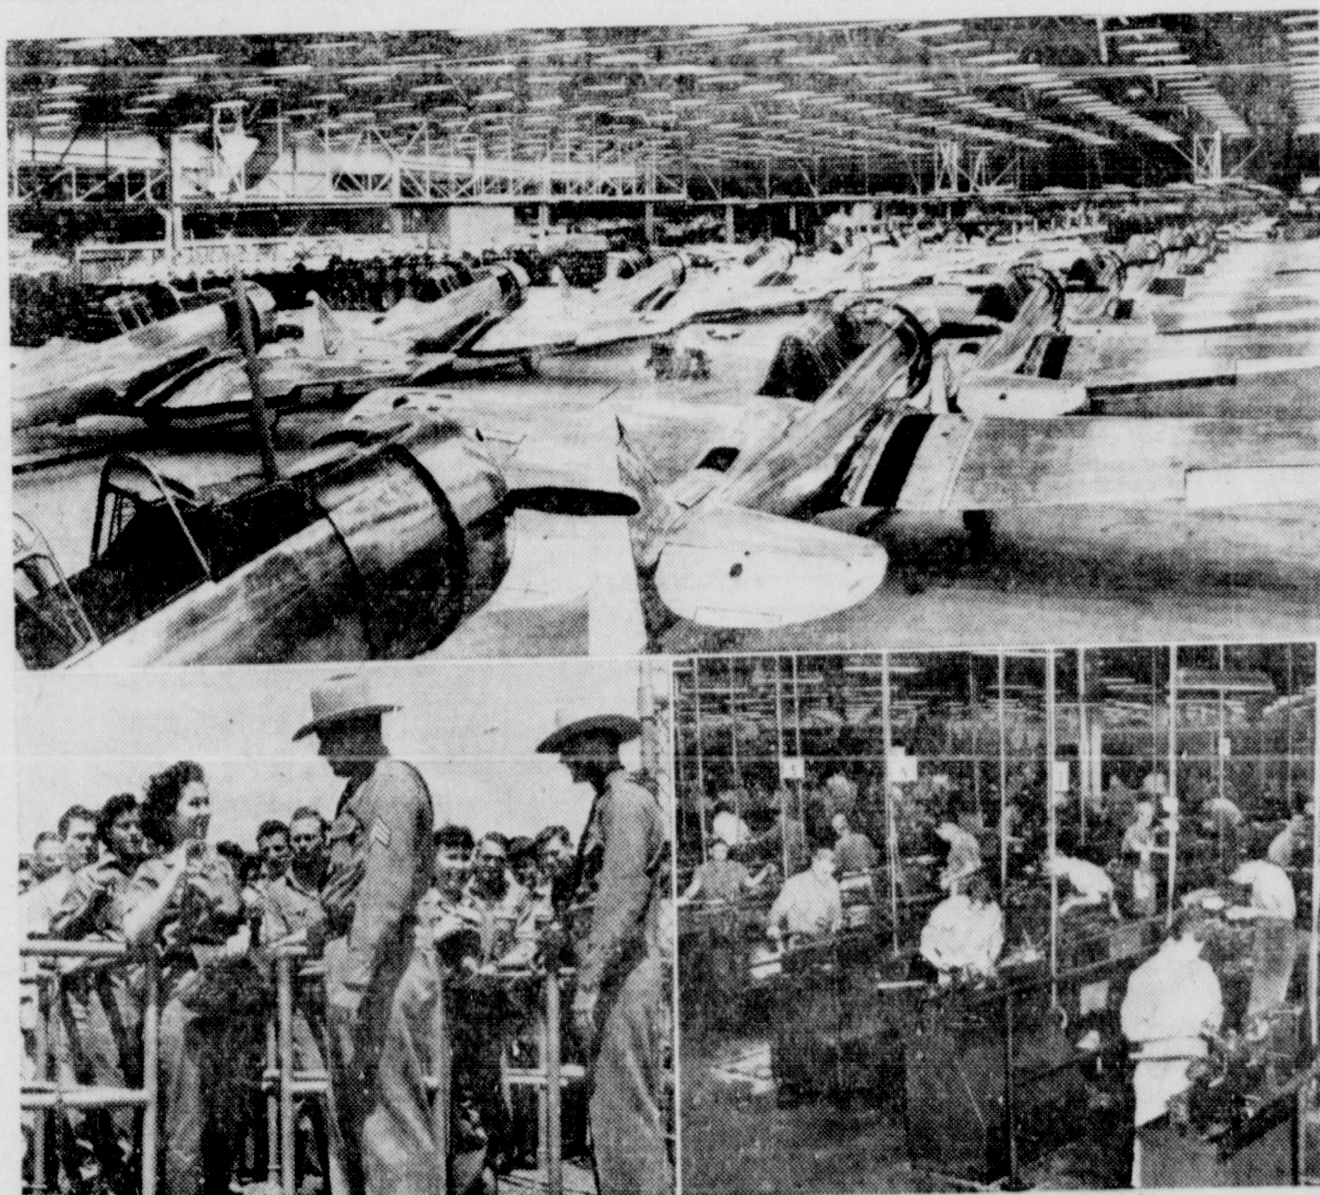

Mr. and Mrs. Ernest McClure and family visited in the home of Mr. and Mrs. Luther Early Sunday.

The recent big rains damaged the late cotton some and also some of the peanuts. The farmers are very busy at this time harvesting peanuts.

Editor J. W. Gay, of the Moody Courier and Mrs. Gay were here Sunday and Monday to visit his parents, Mr. and Mrs. J. W. Gay.

Mr. and Mrs. D. W. Carlton Jr. are parents of a daughter, Linda Joyce, born Sunday, October 18, at Dr. Weir's Clinic. The baby weighed 7 pounds.

Wayne Cotten writes his mother he now has a tedious job—training women in Consolidated Air Craft in California. He says it requires a lot of "patience, training those 45 year girls. Wayne has been in California a year and says he always glad to see Hamlin people.

The job that Texans are doing at the Texas plant of North American Aviation, Inc., in helping to produce air power for the Allies is shown in the pictures above. Top: sleek AT-6 combat trainers roll down the final assembly lines. Lower left: men and women workers file through one of the employee entrances ready to put in another lick at the Axis. Most of these workers had never even seen inside a large industrial plant until a few short months ago, and now they're competent mechanical workers. Lower right: shown here is a small section of a gigantic machine shop where many varied types of plane parts are made.

Another Week Of War—

The high lights of this week of war has been the unconquerable fighting of the Russians, the marvelous feats of the A. A. forces in the New Guinea-Colomon area (A. A. meaning the American-Australian forces).

Stalingrad has not fallen yet. Stalingrad may never fall to the Germans. For every foot gained by Hitler in the streets of Stalingrad, the cost is doubtless many German lives.

We are still gaining and losing as well in the Jap fight. Can we expect anything but cost to drive the Japs back? We do not look for a second Bataan, but we shall not feel at ease till the contest around the Solomon group is settled in our favor.

On the home front things look much better. We realize big things are taking place and that the knock-out blow against Hitler is not far

away, but we can not say that about Japan. The mightiest machine in all history is about ready to go into high gear. For every battle ship, every cruiser, destroyer, every tug, and freighter that our enemies sink, we are building one to take its place. The same is true in England. Already the great ships, the Hood, Prince of Wales, Repulse, the Malaya, and others have been replaced and today England's fighting navy is as strong as when Hitler started his rampage.

So the battle rages on a dozen fronts, and old man winter and hunger is just around the corner, and there is a limit to human endurance. Time and tide is on Our Nations' side and with staunch attention and hot dashes against the enemy during the winter, the Hitler hell will be knocked out next spring. We guess.

Mrs. Turner Bynum, who spent the past three weeks here visiting her parents, Mr. and Mrs. T. E. Harden and other relatives, left Friday for Corpus Christi where she has accepted a position with the Corpus Christi Caller Times. She was formerly employed on the Rockport Pilot.

The World's Richest Man Found It Didn't Pay

By Robert Ripley

Ashurbanipal of Assyria, the richest man who ever lived, was worth a trillion and a half dollars—75 times as much gold as is held in the United States Treasury. Yet it availed him nothing! Neither he nor his son had the sense to use this wealth for the good of their people or for their protection.

And so it was comparatively easy for Nabopolassar and the King of the Medes to invade Assyria and enslave it. And finally, when defeat stared the great King in the face—when it was too late—Ashurbanipal, in terror, had a tremendous platform built of polished wood, in the city of Nineveh, and on top of this he heaped all of his wealth—142,000 tons of gold in 2,500,000 bricks (or ingots), each brick 7 by 28 inches in size, and each brick valued at 50,000. This treasure formed a pyramid of shining gold nearly one-hundred feet high, and in the intervening spaces he placed all of his jewels and personal belongings—his wives on golden beds—his children—even his pet dog.

And then a great quantity of oil was brought from Mosul and poured on top of this golden mass, and when the torch was applied, the King himself walked in and laid himself down among his wives—his family—his pet dog—and everything he valued in life. And so the great Ashurbanipal, the richest man in the world, was consumed in his own wealth—he immolated himself and became part of this great conglomerated melted mass of money—and so ended the Empire of the Assyrians. And it never rose again.

I was in Nineveh a few years ago. Only a few mounds marked the spot that was the glory of Ashurbanipal. Why?

Because Ashurbanipal, who had practically all the money in the world, didn't do anything with it!

And he and his country were lost.

Even his conquerors—the Medes and the Persians—made this same mistake—they came, saw, conquered, and confiscated this great golden molten mass of money that was once the king's and the wealth of the great Empire of Assyria—what did they do with it?

Nothing! They melted it into money again—and remelted it—and in generations since it has been remelted a thousand times—until, Believe It Or Not, it is a mathematical fact that every golden coin used in the world today contains in it some minute particle of Ashurbanipal himself, the King who had all the money in the world but didn't know what to do with it!

What are we going to do with our money today? Enemies threaten us the same as they threatened Ashurbanipal in 626 B. C. The United States of today, like the Assyria of Ashurbanipal, is the richest nation in the world. What will it avail us?

Nothing! Surely nothing more than it did Ashurbanipal unless we do something with it. And there is only one thing to do—and that is to BUY BONDS and WAR STAMPS and make our money directly available to our country—help our country—otherwise it will become a melted molten mass and we the people will be destroyed as Ashurbanipal was destroyed 2600 years ago.

GROCER BOY WRITES

Ft. Sill, Okla.

Dear Mr. Pope:

Just a few lines to let you know I am still alive and kicking. The Army isn't so bad as some say, but we have a job to do and the sooner people get together and organize, the sooner this war will be over.

I am training to be a clerk in the Field Artillery. When I finish I will be better trained for work after I get out of the Army. It gives you quite a bit of training in military life too, so you are accomplishing two things at once.

Just a few words to all my friends in good ole Hamlin. Give the foot ball boys my best regards and I am still backing them. Give all their nickels and dimes for I understand they will be in the Army soon, and all little donations will certainly go to help them later in Army life.

Good luck and best of wishes to dear ole Hamlin till I return.

Lt. Victor H. Simmons and Mrs. Simmons were here the past week end visiting their aunt, Mrs. Burns while on their way from Camp Lee, Va., where the Lieutenant had just finished the officers training course. They left Monday for Antlers, Oklahoma to visit relatives before going to San Francisco. Mrs. Simmons was Vera Bates before her marriage July 11th.

What You Buy With WAR BONDS

Military motorcycles, for couriers, for speeding light guns from one section to another, are an important part of America's mechanized army. Many are equipped with sidecars for use of staff officers. They cost from \$400 to \$450.

We need thousands of these small maneuverable machines in our Army today. You and your neighbors, all buying War Bonds and Stamps, can help buy them for the Army. Invest at least ten percent of your income every payday in War Bonds and Stamps and become a member of the patriotic "Ten Percent Club." It is rapidly becoming the largest club in the world.

Last Saturday Pvt. O. L. Henry from Camp Polk, La., was here frisking among old Hamlin friends. O. L. was a late enlistee of the First World War and he is in there again for a finish. He is in Co. M. 302 Ordnance Regt. He says in his slow drawly manner, "You remember November 11, 1918, the American people began to cry, 'Get our men home for Christmas,' and that kind of hurry helped start a new war for 1939?"

Sailor Cecil Sellers came home last Friday, by way of Garden City to pick up his wife, the former Clara Louise Shelburne. He had only 21 days leave from the Naval Station at San Diego. Corporal Weldon Reynolds writes from Tulsa, where he is in Class 2-43 Barracks 11, of the Spartan Field, that his one big letter each week is the Hamlin Herald. And it keeps him in touch with home folks. He says, "We realize it's a tough fight, but we are mindful each day of the fact that we really have something to fight for" . . . and "The U. S. Army Air Force is getting ready for . . . come what may." Stay in there Kid of the Air, we shall watch you progress step by step till one of these days you will let 'em know what another old Hamlin country boy can do.

HAMLIN'S WAAC LIEUTENANT

(Miss) Lieutenant Greenway, the worthy representative of the WAACs, arrived in Hamlin late last Saturday afternoon, on a stop-over furlough while going from Des Moines, Iowa, to . . . well, somewhere, known only to Lt. Carolyn. This shows that the WAACs are teaching the women one thing—to keep a secret.

Miss Greenway shows a wonderful transformation from a timid country girl to a snappy army woman, alert and military even beyond what one would expect of a woman. She says the Herald has already started trouble for her . . . you know a few weeks we suggested that our Hamlin fellows, in the service, write her, and call her "Our Sweetheart of Hamlin," even at the risk of being courtmarshaled for that kind of salute to an officer. Well, it was well she was transferred, for it will give her time to get "somewhere" else and then receive the letters from the soldiers, sailors and cadets and flyers. Lt. Greenway was called on to talk before the high school assembly, the Lions and Rotary clubs. She has had much to do in making clear what the WAACs are to do in winning this war we are in. We may expect to hear from this "Sweetheart of Hamlin".

—S & S—

Cadet Frank Hillier, Moore Field, Mission, Texas, sends his dollar for renewal to the Herald and asks about Roy Tims. Cadet Hillier, you are just like the rest of Roy's friends—We would like to know—Roy was last heard of in Java last January or February. He was in the famous lost 131st Field Artillery, Bat. D, 2nd Bn. If he is not dead or captured, we know he is still fighting in the mountains of Java.

Seven more men from Hamlin enlisted in the Lubbock Army Flying School and left for Lubbock this week. They were, Nolan Harvey Tabb, Wm. Watson Jr., James William Watson, Harold Signund Stovall, Clarence Gold, Albert Anderson Galloway Jr., and James Townsend.

IT'S ALL YOURS

...and the Japanazis Have Nothing Like It!

You: And, pray tell, what is it we have that the Japanazis have nothing like—and is censored?

Reddy: It WAS a road map of Uncle Sam's electric power. It DID show how high voltage transmission lines criss-cross the country—carrying power to busy war plants and to 27 million homes. It's censored as to location of cities and plants because we're glad to cooperate in concealing information that might aid the enemy.

You: What else can you tell me about it?

Reddy: This: It's the greatest electric system in the world. No other nation has anything like it. The famous British "grid system" could be dropped into one small section. It carries more power than all the Axis countries combined.

You: And how did we obtain it?

Reddy: This nation-wide transmission net work was put together in peacetime to serve you and all Americans. It was built with the savings of the people it serves . . . individual citizens, churches, colleges, sav-

ings banks, insurance companies, all of whom invested their savings in sound electric securities. It is operated under the American system of free enterprise by men and women trained and experienced in good business management. Their success depends on bringing the greatest service to the greatest number of homes at the lowest possible cost.

You: H-u-u-m. Quite different from the Nazi system. Under the Japanazis, and their system of political management and state slavery, the individual, or his institutions, is nothing. Only bureaucrats and political favorites have anything to hope for.

Reddy: Yes. And in the long run, that won't win wars! Here in West Texas . . . in this whole country . . . everybody has a personal stake in Victory—and in preserving the American way of living which has made us the strongest nation on earth!

Reunion Held Sunday At D. B. Scott Home

Sunday, Oct. 18, was a happy day at Mr. and Mrs. D. B. Scott's home, eleven miles west of Hamlin, when their children met there for his birthday. Mr. Scott will be 70 years old the 29th, but his children could only come Sunday. This happy day was also Mr. and Mrs. James C. (Gene) Scott's 13th wedding anniversary.

Those attending were: Mr. and Mrs. Oscar Scott, Wichita Falls; Mr. and Mrs. A. J. Scott and children, Jeanelle, Don and Francis of Wichita Falls; Mr. and Mrs. Claud L. Scott and Mary Helen of Lubbock; Mr. and Mrs. George Lenard and children, Travis, David, Marie and Rose Mary of Jal, New Mexico; Mr. and Mrs. Buck Scott and son Terry Ron, of Rotan; Mr. and Mrs. Gene Scott and son Melvin; Mr. and Mrs. Orval Pack, Mrs. Adell Garrett and children, Veince and Helen, and Mrs. Mary Lenard, all of Hamlin.

A nice dinner was served, and Mrs. Scott took a nice plate lunch to her neighbor, Mrs. George Higdon, who is ill.

In the afternoon many pictures were taken and old times talked over. Some of the brothers and sisters hadn't seen each other in several years. Two sons were unable to be there. They are J. T. and family of California and A. J. of Wichita Falls.

Texans In California

Dear Mr. Pope:

Inclosed is one dollar for which please renew my subscription to the Herald.

There are between 32 and 36 Hamlin people in San Diego alone, at present, and that does not include such places as Tuxedo, Radium, etc. Just kids who lived in Hamlin, or have worked in places of business in Hamlin. Outside of about 5, the rest of the Hamlinites work at Consolidated Aircraft and the others are in the Service here. There are 4 of us here at the same address: Clifford Reynolds, Lovel Stell, Rex Jones and myself. We all double up on the Herald to keep track of the news of the Hamlin people, both service men and civilians. The Herald is about the only source of correct information we hear. We all enjoy it.

Beware Coughs from common colds That Hang On

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

POT SHOTS FROM McCAULEY

BY GEO. DARDEN

Thanks to H. P. Powers for a year's subscription to the Herald. And lest you forget, if you don't want to miss out on your home town news, you may hand us a dollar and renew your paper for another 12 months.

A special meeting was called at the school house Sunday afternoon for the purpose of getting a Red Cross course in home nursing, also a course in nutrition. Speakers from Rotan were Mrs. Day, Mrs. Malouf, and Mrs. Carriker. All people in this community who are interested in taking these courses please see Mrs. Levi McCollum, Mrs. Jim Jackson or Mrs. Melvin Courtney, and may we add that it is of vital importance that this community should be interested as doctors and nurses in Fisher county are becoming very scarce due to the war, and we are all still subject to illness.

The wind, hail and downpour of rain last Friday night about picked and ginned the cotton crop in this vicinity. Farmers hardest hit were south and northwest of town, and some cotton crops are practically a total loss. Well, it's a hard dose to take, but there is nothing we can do about it, and besides it is easy to take compared with what the boys are going through, on the battle fronts. So keep your chin up, and remember there is always a little bitter along with the sweet.

Mr. and Mrs. Johnnie Hodnett of Arkansas were through McCauley one day last week on their way to California, and while here visited a few hours in the homes of Joe Miers and the Geo. Dardens.

Shopping in Abilene last Saturday were Mr. and Mrs. Melvin Henderson. The Hendersons are at home in McCauley for a few days after several weeks at Wichita Falls where he is employed with an oil company.

Mrs. Lewis Rector fell while at work in the store Friday and suffered broken ribs and is confined to her bed in a Rotan hospital.

McCauley boys enlisting in the ground crew of the air corps last Monday were: Buddy Gibson, Tillman Henson, Glendon Hemphill, A. S. Smith Jr., Albert Galloway, Jr., and Leon Peterson. The boys left Tuesday for Lubbock where they will take their first training.

Sgt. James Parker, son of Mr. and Mrs. W. H. Parker, graduated from Stockton Field, Stockton, California, Sept. 29 and was married on Sept. 30 to Miss Joyce Townsend, of Shafter, Calif. They are at home in Blythe, Calif., and James writes his parents that he is sure that he is the happiest boy in the world with his silver wings, and the little lady of his heart by his side. Congratulations James, and best wishes to you both.

Mrs. C. L. Colinger of Fort Worth and Sgt. Leo M. Greene and wife of Arlington visited last week in the home of Mr. and Mrs. Turner Houghton.

Mr. and Mrs. Leo Masser and son were week end visitors in the home of Mr. and Mrs. Ted Abbott. Their home is in Fort Worth.

The senior class of McCauley High school met Thursday morning, Oct. 23, and elected class sponsors and officers. They are: Sponsor, H. P. Powers; President, Ed Lewis; Vice-president, Bill Smith; Sec'y-Treas., Ross Darden; Reporter, Bennie Ray Jones. Class colors are white and gold. Class flower is white carnation.

Mr. and Mrs. A. A. Callaway went to Abilene Sunday to visit their daughter, Mary, who is a student at Hardin-Simmons and while in Abilene, they visited Camp Barkeley.

Shopping in Abilene last Saturday were Ferris, Bynum, Alene and Eveline Akins and Mrs. Geo. Darden.

Mrs. Robert Lewis Jr. (formerly Fern Maberry) is at home with her parents after several weeks visit in California, Arizona and New Mexico.

Mrs. Leslie Phillips and daughter Shirley Nell of Munday, Texas, visited last week in the home of her parents, Mr. and Mrs. O. C. Prather, Jr.

Mr. and Mrs. O. C. Prather and sons were called to Knox City last Sunday to the bedside of his sister who is very ill.

Mrs. N. H. Wishert visited her sister, Mrs. Wilkins in Roby last Sunday. Mrs. Wilkins has been quite ill.

Mr. and Mrs. Granville Dean and daughter were Sunday visitors in the home of Mr. and Mrs. Ellis Eivens. The Deans are now living in Abilene where he is employed at Camp Barkeley.

O-O-O

In the great alliance of the United Nations it is not a question of any one of us sending our friends what we can spare from our own defenses. We know that we shall none of us be safe until the enemy is defeated—everywhere in the world. Our problem is to destroy the forces of the Nazis, their hangers-on, and the Japanese lords of slaughter if we do not want them to destroy us.

Whoever destroys any of those forces gives life to all of us. In our United war it does not matter whether the cannon was made in Springfield, or in Coventry or Melbourne. It does not matter whether it is fired by men from Liverpool or Chungking. When the gun throws back the enemy's line in Russia, when the Nazi submarine is sunk, when the smashed Jap planes come tumbling down, the cause of the United Nations is advanced—there is an increased promise of freedom for all the people everywhere in the world.

The boys from the city, the village, the country, the plains and the hills of the United Nations are on the war path with one aim, and that is to crush the Nazi and Jap gangsters who threaten the peace of the world.

With all seriousness, ask yourself this question: Are you doing your part? Is that piece of scrap iron about your place on the way to the battle front? Are you giving your money to the Red Cross? Are you buying all the Bonds that you can? Are you cursing your Government? Is the price of Liberty too high? And remember if we lose this war, all is lost, not only your homes, your land and cattle—but most of all, our FREEDOM.
